Coach platform

The platform offers easier access to tools and coaching assistance. The boarding platform automatically returns to the vertical position when it is released. The steps can be arbitrarily screwed to one of the three sides, depending on which boarding side suits you. It is also possible to change the position of the board. Depending on the tools used, we will supply a modified size of this board in length or width. The whole structure is anchored to the floor.

Product number	Size	Weight	Color
P-coach-1	**140x95x50cm**	30kg
