Somersault mats with Velcro

RG100 rolling mats are based on the construction of the Classic range. The main difference is the bonded polyurethane foam core, a material also used in tatami mats, but with a lower density here. Compared with the Classic model, their greater weight contributes to stability during exercise.

Hook-and-loop fasteners at the corners allow the mats to be joined together to create a larger exercise area.

Rolling mats can also be used for therapeutic exercises.

Product number	Size	Weight	Color
D5-2001006-R-SZ	200x100x6cm	14kg	
D5-2001007-R-SZ	200x100x7cm	16kg	
D5-2001008-R-SZ	200x100x8cm	18kg
