Block 1

The purpose of parkour is to get as quickly as possible from one point to another using artificial or natural obstacles. We have developed a system of obstacles for you, primarily for use in gyms. Each obstacle is dimensionally and material designed to maintain maximum stability, comfort and safety during rebounds. Each product consists of 4 different materials. The Velcro system allows you to connect any obstacles.

Product number	Size	Weight	Color
P1-200100100-DB	200x100x100cm	68kg	
P1-20010050-DB	200x100x50cm	35kg
